• **HAVE YOU EVER WONDERED** who was going to care for your child? Have you ever missed time at work or at school because you did not have reliable, quality care? If you have, you are not alone! In a previous survey conducted by the Schuyler County Child Care Coordinating Council, the lack of adequate childcare greatly affected employee attendance. Unfortunately, this not only hurts local businesses, but more importantly, it interrupts a family's livelihood. That is why we have made it easy for you! We would like to help. The Child Care Council maintains a list of registered, licensed, legally exempt, and informal childcare providers available to you. Choosing childcare is one of the most important decisions a parent must make. Ensuring that children are well cared for in a safe, healthy, and positive environment is essential. If you have the need for childcare services or you are interested in providing childcare, please contact us today so we can review your options. Go to <http://www.sccccc.org/> or call 607-535-7964.

Schuyler County Public Health Rabies Vaccine Clinic

February 11, 10am-Noon Watkins Glen Highway Barn 910 S. Decatur St.

All cats and ferrets in carriers
All dogs on a leash
Animals must be at least 3 months of age to be vaccinated

Bring proof of prior vaccination, (to receive 3 yr. certificate)
No cost, however, donations are gratefully accepted

Last year this county had 94 cases investigated for rabies exposure;
32 animals were tested and 11 came back positive for rabies.
Protect your pets...Get them vaccinated.

Did you know that if your pet's vaccine is outdated by even one day, and it bites a person or another animal, there would be a required confinement or quarantine away from home at your expense?
