• **THE GRAND PRIX FESTIVAL OF WATKINS GLEN** will once again hold the "Montour Mile" in downtown Montour Falls Friday, Sept. 10, 2010. The streets will close by 10:45 a.m. in anticipation of 130 vintage and sports cars filling the streets. These drivers and their navigators will take a moment to get to know Montour Falls while stretching their legs. Once all the cars have arrived, the group will then depart for a lap of the Seneca View Skilled Nursing Facility. The Festival committee greatly appreciates the Village on Montour Falls welcoming this group every year. Please be advised that there will be an interruption in traffic flow that day during that time. The organizers try very hard to keep this part of the event to the shortest time-frame possible. The streets re-open at noon. Please come down to the Village before 10:45 a.m. and cheer on the cars and drivers.

BEFORE WATKINS GLEN became a cohesive village, people who lived around various parts of it sometimes gave their neighborhood a name, partly for a mailing address and sometimes just for fun. Names in the early days have been: Tusculum, Bolivar, Culverstown, Salubria, Horton's (changed to Leake's and then Savoy) and, once streets were laid out, to Jefferson. It became Watkins in 1851, Watkins Glen in 1926. Submitted by: Barbara Bell, Schuyler County Historian.

• **USED TIRES** Large selection of sizes. 607-535-7525.

ONCE IN WATKINS (before it became Watkins Glen), there was a company on Franklin St. near Fourth, which bought a variety of farm produce for resale. It was called O.C. Kingsbury and Company. John Love (village president) and Samuel A. Chapman were Oliver Kingsbury's partners. They bought and sold wool, seeds and hides and dealt in agricultural implements. O.C. boarded at the Jefferson House (later called a hotel). Submitted by: Barbara Bell, Schuyler County Historian.
